- Skid plate for AT case
and reduction gearbox
V: 4.7,

Body:

Years.: 2006- ;

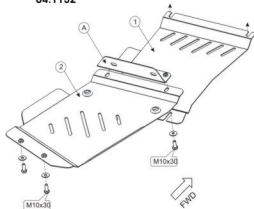

VIN:-

AT

Art.Nr. 04.0964

04.1132

1. Mount this skid plate only after the skid plate for engine bay is already installed.
2. Disassemble the skid plate to component parts.
3. Fix slat "A" to the transmission case supporting beam using original bolts.
4. Fix the front part of element "1" to the skid plate for engine bay. Fix the rear part to mounted slat.
5. Put element "2" under the OE protection of the fuel tank and join them.
6. Fix the front part of element "2" to mounted slat (together with element "1").
7. Tighten all screw joints.
