

Mazda CX - 7

Body:

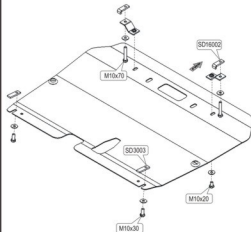

Years.: 2007-;

12.1222

VIN-:

AK7171

12.1851

1. Disassemble the skid plate to component parts.
2. Mount corbels to the front part of the car frame.
3. Fix threaded inserts over apertures in lateral parts of the car frame and slightly screw bolts M10x30 into them (do not tighten bolts yet).
4. Put the skid plate on mounted bolts and fix it to mounted corbels in front.
5. Tighten all screw joints.
